## NICELY NATURAL

With more and more emphasis being placed on eco-friendly homes, The Natural Curtain Company has arrived on the scene just in time. This online service offers a choice of 100% natural fabrics and a step-by-step ordering process. Start by choosing your fabric, then decide on a track or pole (curtains only), next headings, linings, and finally measurements. A price is then calculated, and, should you place your order, the finished product delivered in just two to four weeks! [www.naturalcurtaincompany.com](http://www.naturalcurtaincompany.com)
